Referral/Prior Authorization Requirements	A member may make a direct appointment with any in-network Plan provider, primary care or specialist, without a referral. You must obtain a written referral and receive the plan's authorization before you visit an out-of-network provider. You and the provider you are being referred to will receive a confirmation of the approved referral for your records. In certain instances, the care may be limited to specific type, frequency or range of dates.
Medicare Claims Procedure	This plan's Medicare claim payment system is fully automated for most services; thus no enrollee involvement is required after the submission of the initial claim to Medicare.

All mental health and substance abuse services must be provided by a network provider. The participating network provider will seek pre-certification of services on your behalf. If you need assistance in selecting a network provider, please contact 1-877-832-1823.
